The above mentioned new securities shall follow the same scheme of strikes as mentioned in the circular No. 115, dated Dec 18, 2009 (download no. 13727) for all options contracts. The closing price of the securities in the underlying market shall be rounded off by the applicable strike interval multiplier to derive the at-the-money strike price.

The new contracts will be available for trading from July 30, 2010. Members are advised to take the latest contract.gz, spd_contract.gz, security.gz and fo_participant.gz files from NSE EXTRANET, directory:/faoftp/faocommon before start of trading on July 30, 2010. A detailed list of new contracts being introduced for trading (file name: CONTRACT29072010.CSV) is available on the path faoftp/faocommon/Contracts.
